Tina et al,

Can I ask for a huge favor?. These new iPads are nice but buggy when forwarding attachments. Could someone please forward these attachments and any other emails directly to Christine and Dan?

I would greatly appreciate it.

All,

Southern Ute Indian Tribe has prepared some initial data to assist in the Gold King Release effort.

I've attached a number of data files and documents to this email.

- SUI Gold King Release Monitoring Stations and Analytes- word doc of release SUI response monitoring
- SUI Continuous Data 07012015 to 08102015 xlx 30 min increment DO, pH, temp and conductivity from three locations within the reservation.

## CBI/Ex. 4

SUI is prepared to share historical data and will send a link to an ftp site. The file is too large to email.

Thanks for everyone's help for the Animas.

Please contact me with any questions.

Curtis
